Testimonials

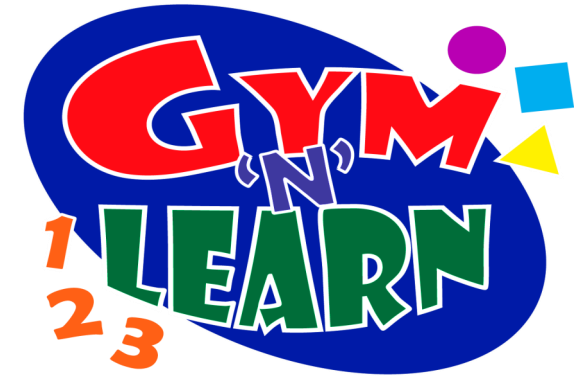

"I love, love, love the Gym N Learn program! My oldest daughter who is now in first grade always loved to go to school and she transitioned to full day kindergarten beautifully. I am so happy that my three year old started Gym N Learn this September. She loves going to school."

~Brooke, parent of 1 graduate and 1 current Gym N' Learn student.

"My daughter loves the Gym 'N' Learn program. I am so amazed at what she has learned. She loves coming to school. Gym N' Learn is a wonderful program and I highly recommend it."

~Heather, mother of 1 Gym N' Learn Student

What to expect...

We are a fitness-based educational program providing a solid pre-school experience for children ages 3-5.

- Hands on learning through games and activities both in centers and in small/large groups.
- Weekly themes make learning fun.
- Our program is the whole package: reading readiness, math, science, music, social studies, creative arts, cooking, and gymnastics.
- Your child will receive a well rounded educational experience in all areas of learning (*physically, socially, mentally and cognitively*) to help prepare for Kindergarten and beyond.

Gymnastics at a preschool level can help with...

- Building self confidence
- Listening and following directions
- Fitness/Sports Readiness
- Academics

Why a mixed age classroom?

- Individualized lessons based on interests and ability
- Siblings can be in the same class
- Older children have the opportunity to be role models
- Younger children enjoy learning from their friend's example
- Children can advance at their own pace
- Such an environment encourages cooperation, patience, manners and helpfulness.
